

CARE for CREATION

Shropshire & Marches Circuit Away-Day/s

Food for all? ...Food chains

Saturday 10th September

10.00am to 4.00pm

Sunday 11th September

picnic from 1.00pm and

worship at 2.30pm

led by Rev Dr Neil Richardson

Minsterley Parish Hall

SY5 0AE

***Two days out for the whole circuit
focussing on our care for creation
and our concern for the environment***

Bring a picnic and a chair on both days.

Drinks will be provided.

Please try to car share!

with the following speakers:

- Dr Cath Price from **Shropshire Wildlife Trust** will talk about managing land for wildlife and food production
- Rev. Nick Read, Agricultural Chaplain and Project Coordinator for **South Shropshire Climate Action** will talk about food supply chain issues
- David Harlington from **Hands Together Ludlow** will talk about supporting the community through food related activities

Children's activities will also be provided

"The earth is the Lord's and everything in it" Psalm 24 v.1

Come along to find out what we can all do to protect the earth's resources and preserve its beautiful wild spaces.

There is room for all at Minsterley: the main hall seats 300 with parking for 100 cars. There's also a children's playground, outdoor exercise equipment for older children/adults, and plenty of green space for your picnic (weather permitting).

share ideas, learn more, celebrate creation, worship together!

To find out more or book your place: Please use the Eventbrite link below if you can, or telephone Rev Paul Arnold 01568 612406, or just come along on the day – you will be most welcome.
